CAMPS Healthcare Trust

CAMPS is pleased to announce the launch of the CAMPS Healthcare Trust. All manufacturers and certain supply chain companies are eligible per the NAICS guidelines and under the oversight of the Washington State Office of the Insurance Commissioner. To participate in the CAMPS Healthcare Trust, a company must be a CAMPS member in good standing.

By leveraging the buying power of the manufacturing community, CAMPS has teamed up our three insurance provider CAMPS members to provide a new way for Washington manufacturing employers to purchase employee benefits. Association health plans offer companies of all sizes the unique opportunity to save on their health insurance premiums by leveraging the size of all members collectively for the best possible health insurance rates.

The CAMPS Healthcare Trust will be sponsored by the Northwest's premier insurance carriers:

- **Regence BlueShield**
- **Group Health**
- **Delta Dental**
- **LifeMap**

Brokerage Representation for this program is limited to CAMPS members who have worked through this process during this past year. We will review expanding the broker network in mid-2017.

The three approved brokers are:

AHT Insurance - Jamie Madonna / (206) 770-7944 / JMadonna@ehtins.com

Capital Benefit Services - Will Compton / (425) 283-0204 / wcompton@capitalbenefitservices.com

Parker Smith Feek - Ryan Moses / (425) 709-3789 / remoses@psfinc.com

CAMPS recommends members contact all three brokerages, interview, and select their own broker of choice.

Any questions relating to the CAMPS Healthcare Trust should be directed to:

Tom McLaughlin / (253) 298-7490 / Tom.mclaughlin@cams-us.com

Stacie Buchanan / (253) 226-7671 / Stacie.buchanan@cams-us.com
